## PROJECTS

### [Portfolio website ↗](#)

Apr 2025

Created a portfolio website using next js. Giving a contact form directly on it which gives visitors to directly send me a message on my email. Also visitors can preview or download my resume from there.

### [E-commerce web app ↗](#)

Nov 2024 - Mar 2025

Made a E-commerce app using Mern stack also implemented a payment gateway for handling payments using cashfree. Made a review system for each product, If some user has bought a product then the user can review that product. Made a different admin dashboard, giving full control to the admin over which product should be there also they can add there own product very easily.
